CP of NYS Night at the NY Knicks

This is a great way to get people with disabilities, their families, volunteers, sponsors, staff and friends together for a fun night of NBA basketball and raise some money to support your organization.

It's easy!

Sell tickets at the regular box office price of \$60.50 and pay the Knicks just \$30 for each ticket.

You keep the rest and earn up to \$30.50 per ticket for your organization.

If we, as a group, purchase 200 tickets we will receive the following benefits:

- **A table on the concourse at Madison Square Garden**
- **One Knicks t-shirt for each ticket sold**
- **A welcome message on the GardenVision Screen at Madison Square Garden**

The more tickets we sell, the more benefits and exposure received.

Additional opportunities include:

- **On-court presentations with Knicks players and/or legends**
- **Viewing of organization's PSA on GardenVision in front of thousands of Knicks fans**
- **Pre-game autograph sessions**
