HAPPY BIRTHDAY

In early December former NYS Assemblymember, and #bFair2DirectCare Champion Harvey Weisenberg offered birthday wishes and a cake to Governor Andrew Cuomo to thank him for his support of a plan to raise direct support professionals wages closer to a living wage. Mr. Weisenberg's birthday is December 31st and we would like to get as many birthday wishes as we can. Send birthday wishes via twitter to @harvey_ellen, or on facebook at <https://www.facebook.com/Harvey-and-Ellen-Weisenberg-1457449751223555/>
