Jill Bergman, CEBS, is Vice President of Compliance in the Health & Benefits practice. As a Certified Employee Benefits Specialist, she monitors federal and state-level employee benefit plan legislation and regulations to help clients understand and comply with ever-changing health and benefit plan requirements.

In her role, Jill oversees the publication of the firm's external communications and writes on topics that help employers and plan sponsors stay current on healthcare reform requirements and other benefits-related issues. She is also a highly sought speaker who routinely creates and delivers cutting edge presentations, seminars, workshops and webinars designed to educate and inform employers about federal and state-level legislation and regulations that impact employee benefits including ACA, COBRA, CHIPRA, HIPAA, GINA, DOMA, FMLA and other mandated leave laws.

Jill joined Chernoff Diamond in 2008. Previously she has served as a partner and senior benefits consultant for a leading global consulting and actuarial firm. She holds a New York State Life and Health Insurance license.
