

CP of NYS Announces First of Its Kind Clinical Care Conference for People with Disabilities

The Cerebral Palsy Associations of New York State (CP of NYS) NYS Medical Directors' Council is conducting a conference entitled ***Multi-Disciplinary Clinical Care For Patients with Intellectual and Developmental Disabilities*** on Friday November 16th at the Embassy Suites in Saratoga Springs, NY.

The Council is made up of Medical Directors and other clinicians representing the CP of NYS Affiliates who provide medical care programs, supports and services for people with disabilities and their families. These Affiliates employ nearly 18,000 people and serve over 100,000 individuals. The Affiliates provide needed medical services through clinics that specialize in serving individuals with developmental disabilities.

The conference will begin with a Keynote Address by Dr. Steven Perlman. Dr. Perlman is a Clinical Professor of Pediatric Dentistry at the Boston University Goldman School of Dental Medicine. For the past 40 years, he has devoted much of his private practice as well as his teaching, to the treatment of children and adults with physical and intellectual disabilities.
