

2017 **IMAGINE** NATION

During this year's Annual Conference, CP of NYS inducted the first group into CP of NYS's **IMAGINE "NATION"** as we recognized outstanding staff members from Affiliates across the state. As we all know, without our staff, we would not be able to do all the outstanding work CP does in support of people with disabilities across New York. This group represents the very best of the best. To the 2017 **IMAGINE NATION**, we simply say congratulations and THANK YOU!
