## THE CENTER FOR DISCOVERY ARTISTS ARE WINNERS OF 2019 CP of NYS STATEWIDE ART CONTEST

A stunning work of art created by seven artists representing The Center for Discovery, has been voted the winner of the 2019 Cerebral Palsy Associations of New York State (CP of NYS) **Visions of New York** Art Contest. This is the 16<sup>th</sup> year of the contest, which highlights artwork created by people with disabilities from CP of NYS Affiliates across the state.

The winning entry, ***A Day On The Farm***, will be the centerpiece of the annual commemorative poster highlighting artwork from 19 CP of NYS Affiliates. The winning entry was produced using paint, paper cut with adapted electric scissors, magazine strips, toothpicks, rocks, and glue. The result is a vibrant and colorful representation of a working farm.
